

## RPM RELEASE NOTES – R.05.01.26

### What's in this release

- **Physical Inventory Discrepancies Report** updated and moved to Jaspersoft.
- **Quantity Pricing** section removed from **Pricing & Costing**.
- **Enter Item Counts** no longer displays **Vendor Pkg** and **Units**.
- Back Office and Reports related issues that have been resolved are detailed in the **Fixed** section.

### CHANGED

Back Office	Description
<b>Item Maintenance</b> RPMBRAV-14	<p><b>Quantity Pricing</b> section and information removed from the <b>Pricing &amp; Costing</b> tab in <b>Item Maintenance</b> due to non-use and customer confusion.</p> 
<b>Enter Item Counts</b> RPMBRAV-87	<p><b>Vendor Pkg</b> and <b>Units</b> columns are not required and no longer display in the <b>Enter Item Counts</b> grid. The <b>Description</b> field is widened.</p>
